

Saturday Sessions

Empowering workshops for Girlguiding commissioners

New Commissioners

A supportive session for those new in post to help you understand your responsibilities, build your team, identify support & information available, run effective meetings & more.

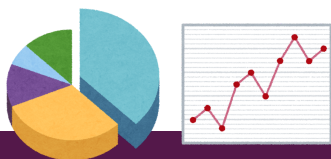

Building your team (including filling vacant roles)

An interactive session to help you identify roles required, how you can recruit to these & interaction with yourself once in post.

Safe Practice

An interactive session that will help you identify / reflect on the many different responsibilities Commissioners and volunteers have for ensuring safe guiding is taking place ... and what to do if it isn't safe.

GO – other useful screens & reports

A hands on session covering useful GO reports & screens to help you undertake non-compliance aspects of your role.

Get creative using Canva

A hands on session that will introduce you to Canva and give you ideas on how you can use it to design images for promotional material / newsletters.

Developing and supporting 14+ young members

An interactive session that will give you ideas on how to develop and support 14+ young members.

Volunteer engagement – how to improve

An opportunity to understand / exchange ideas on the volunteer mindset & how you can help improve attendance at meetings & events plus other benefits / opportunities for them.

GO – monitoring compliance

A hands on session covering useful GO reports & screens to help you monitor compliance / those that need supervision (Safer Guiding, 1st Response, Recruitment checks).

Growth – Our Plan

An interactive session that will introduce you to Our Plan (a really useful 1/4ly report) & give you ideas on how to use it to identify growth opportunities / challenges in your area.
